

**Texas Lawyers for Texas Veterans
Tarrant County Chapter
Needs your help!!!**

The President of the State Bar of Texas launched in 2010 the Texas Lawyers for Texas Veterans program to help our Texas Veterans who have served in the U. S. Armed Forces. “Our military servicemen and women have made great sacrifices in duty to their country,” said President Tottenham, a former Marine. “As lawyers, we have the opportunity to make a difference in the lives of a great many veterans—and in the families of those who did not return.”

TLTV-Tarrant County Chapter organizes legal clinics to coordinate with individual volunteer attorneys who provide consultation and legal counseling in family, consumer/finance, probate, estate planning, bankruptcy, landlord/tenant, criminal and other legal matters. The program does not provide assistance regarding veterans’ benefits. The clinics are held at various locations throughout Tarrant County on the third Friday of every month, except the months of March and December. After the legal clinic, if the veteran meets the income eligibility criteria according to the Texas Access to Justice Foundation Grant requirements, the case placement subcommittee makes all the arrangements to match the veteran with a pro bono attorney to represent him/her in their legal matter.

Because of attorneys like you, the Texas Lawyers for Texas Veterans Program has served over 1,500 veterans since its inception in the Fall of 2010.

You can volunteer in two ways – (1) attend as often as you can the legal clinics on the third Friday afternoon from 2 to 5 p.m. to meet and interview the veterans needing service; (2) volunteer to take at least one pro bono case in your area of practice.

Please sign up to help a veteran in our community. Complete the bottom portion of this flyer and e-mail it to info@txltvx.org or fax it to **817-335-9238**. If you have questions about volunteering for the program please call (817) 338-4092 and ask for Melissa Sircar. Thank you.
